

# Annual PUKDS Multi-Sport Event

Nottinghamshire August 2024

**For Police Health and Well-Being**

## Exhibitors Pack

# The PUKDS Multi-Sport Event is the National Police Health and Well-Being Event.

This event provides participants with an opportunity to take part in a variety of adaptive sports, who can go on to take part in regional, national and international sporting events. Whilst also hosting a number of police charities, federations and associations as well as organisations that provide products and services to the police community.

The aim is to improve the health and well-being of the police community, focusing on sports recovery for physical and mental health, but also working in partnership with the police charities, the treatment centers and other organisations to improve the level of support available when needed.

This event is available to all UK Police Officers and Staff, which includes volunteers, past and present, from all areas of UK policing from each of the Home Office Polices across England and Wales, Police Scotland, Police Service of Northern Ireland, British Transport Police, Civil Nuclear Constabulary, Ministry of Defense Police and all arms of the British Armed Forces Police Services.
